

Ace Your WACE Performance Workshops

The Clarinet & Saxophone Society of WA (CASSWA) is delighted to partner with the School of Music (UWA) to host an afternoon session for ATAR clarinet and saxophone students. At the School of Music from 2pm to 4pm, students undertaking their WACE/ATAR practical music exams are invited to perform in front of an expert panel and receive individual feedback, plus helpful tips on performance etiquette and managing stress. An experienced accompanist will be provided to play with you, or if you prefer to bring your usual accompanist along, please feel free to do so.
